

"Yehr-ah"

"COMMITMENT TO EARTH"

"Two scythes sweep in great arcs across endless fields of wheat, rye and flax. The harvest has arrived, and with it a time of plenty and bounty. The long hard winter has been endured, the hard work of tilling and planting has long since been completed, and now comes the time to reap the rewards for prior hardships. Life giving sustenance rises from the Earth. Jera is an indication of plenty."

Innovative design and performance, combines with a commitment to give back.

COMPACT FORM FACTOR

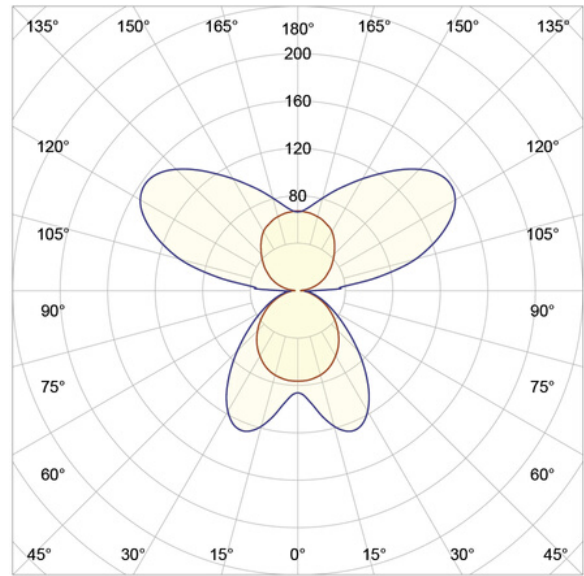

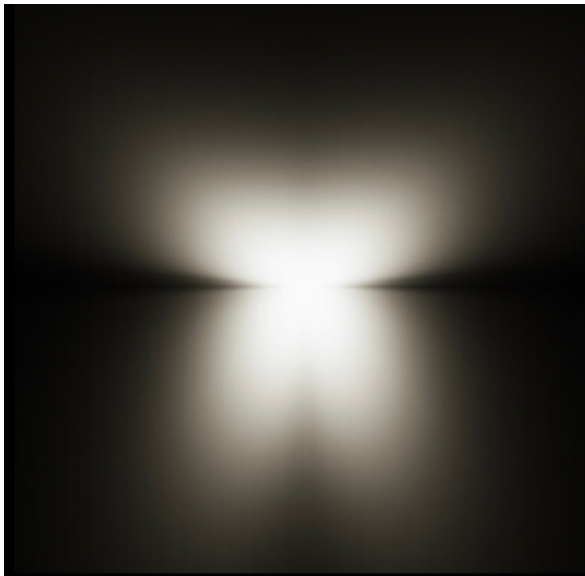

EDGE LIT TECHNOLOGY

AVAILABLE IN X, Y, L & ADA COMPLIANT WALL MOUNT

WIDE BATWING DISTRIBUTION
